## Interior Photos

---

### 1. Foyer & Stairs to Upper Level

An open staircase tucked off to the side of the living room is visible from the foyer.

### 2. Living Room

Flooded with light all day long, the living room features deep windows, a corner window seat, ribbon inlaid hardwoods with French Knot corners and a painted brick fireplace with track lighting above.

---

### 3. Dining Room

The elegant dining room is open to the living room and features overhead beams, wainscoting, hardwood floor with ribbon inlays & French Knot corners and a long window seat.

---

### 4. Kitchen

The compact yet very efficient kitchen features tall glass door cabinets and a stainless steel double sink. The back porch off the kitchen leads to the side yard. Another door leads to the basement with one finished room and the utility room.

---

### 5. Main Floor Bedrooms

Two bedrooms on the main floor feature beautiful large windows. One is currently being as a playroom...the other as a home office.

## 6. Main Floor Bathroom

A claw footed tub and pedestal sink are period details of the main floor bath. There is another full bath upstairs.

---

## 7. Upper Bedrooms

Upstairs, there are two bedrooms, a full bath and plenty of storage.lo

## Exterior Photos

---

### 1. House From The Street

Perched above the street the home is private and flooded with light all day long.

### 2. Front Porch

The gracious porch continues around the home to the large deck.

### 3. Entry Door

A beautiful period front door.

---

#### 4. Front Deck

The expansive deck is over the front garage and leads to the lawn in the enclosed backyard.

---

#### 5. Large Side Yard

A wonderful enclosed lawn area accessed from the front deck or the back porch off the kitchen.

---

#### 6. Bricked Back Patio

Hand laid brick patio off the back porch that leads to the lush lawn.
